About SHE Virtual Recovery Summit

“ME TOO.”

Those two words started my journey to freedom after nearly a decade of pornography addiction and other unwanted sexual behaviors—because one woman shared her story with me and supported me on a path of healing and empowerment. 2024 is a special year for me as it marks 20 years since I entered recovery. Not only will 2024 mark 20 years of recovery, it marks 15 years since I transitioned from facilitating a recovery group in my local church to starting my virtual recovery community; now known as SheRecovery.

For the last 15 years I have been sharing my story publicly and working tirelessly to help other women experience the same freedom that I have. And yet, I continue to hear the stories of women worldwide who believe they are the only one. Women still feel alone, isolated, and full of shame. They are simply not getting the help they need—especially women in the Church.

In 2020, I was inspired to create the SHE Virtual Recovery Summit. I am so proud of the advocacy, awareness, and above all, support, healing, and empowerment that has taken place through this event. I am excited to share that 2024 will also mark our third summit.

SHE: Support. Heal. Empower.

That's the resonating message of the 2024 SHE Virtual Recovery Summit
coming September 16-20, 2024. 5 Days. 40+ Experts & Storytellers.

Throughout this 5-day virtual event, 30+ experts and storytellers will share their stories, their expertise, and their hope for meaningful recovery from pornography addiction and other unwanted sexual behaviors. Topics will range from recovery, to trauma and abuse, to identity and shame, to faith, the Church, advocacy, mental health, and others. This faith-based, online summit will answer the questions many women are asking and lead them safely into the process of recovery.

In addition, this event is for the Helper. Counselors, coaches, church leaders, and others will better understand these issues to help women in recovery—plus opportunities for Q&A.

2024 is a big year for many reasons and it is my prayer that this year's Summit will be the biggest and best yet. Women need it now more than ever. I invite you to partner with us!

Blessings,

Crystal Renaud Day, MAPC
