About SHE Virtual Recovery Summit

An Invitation from Crystal

For nearly 20 years, I have been creating spaces where women find support, experience healing, and move toward wholeness from pornography and other unwanted sexual behaviors. What began as a small recovery group has grown into a global community serving women at every stage of their journey—first through SheRecovery, and since 2020, the SHE Summit.

When I first began this work, women's sexual recovery was largely a silent issue. Over time, that has changed. More women are speaking up. More conversations are happening. More resources exist than ever before. And yet, many women still feel stuck.

Not because awareness is missing, but because understanding is. Many women still don't know why they struggle in the first place. They find themselves repeating patterns they cannot fully explain—trying to stop behaviors without clarity on what is driving them. What remains unclear often remains unchanged.

This is especially true for women in the Church, where conversations may acknowledge the struggle but don't always provide a clear path forward. At the core of this work is a belief that true healing involves the whole person—body, mind, and spirit—and that faith, when understood rightly, is not a source of shame, but a pathway to restoration.

Which brings us to the 2026 SHE Summit: October 19-23, 2026

The theme for the 2026 SHE Summit is *What Drives Women to Porn?*—aligned with my upcoming book, *What Drives Women to Porn? Why Women Struggle Sexually—and How to Heal* (releasing September 15, 2026).

This year, we are moving beyond behavior-focused conversations to explore the underlying drivers shaping women's experiences.

Over five days online, 40+ experts and storytellers will guide attendees through five core drivers:

- Day 1: Relational - *Who shaped me?*
- Day 2: Emotional - *What was I trying to feel or avoid?*
- Day 3: Identity - *Why don't I feel like I'm enough?*
- Day 4: Trauma - *Where were my responses shaped?*
- Day 5: Spiritual - *How do I see God—and is it true?*

This framework helps women not only recognize patterns—but understand them.

Why Join Us as a Sponsor?

But the SHE Summit is more than an event. It is a space where women:

- Feel seen in experiences they've never been able to name
- Gain language for patterns that once felt confusing or overwhelming
- Begin connecting behavior to deeper emotional, relational, and spiritual drivers
- Take meaningful steps toward healing in a safe, supportive environments

The Summit also equips helpers—counselors, coaches, ministry leaders, and advocates—with a more accurate and compassionate understanding of women's experiences.

Women are searching for answers—but more importantly, they are searching for understanding.

Your partnership helps us:

- Expand access to women who might not otherwise engage these conversations
- Elevate awareness around female sexual struggles and recovery
- Provide high-quality, trusted resources grounded in both clinical insight and faith
- Build spaces where women move from isolation to connection—and from confusion to clarity

2026 is a pivotal year.

With the release of *What Drives Women to Porn?* just weeks before the Summit, we have an immense opportunity to bring this message to life—reaching women, leaders, and communities in a deeper and more transformative way than ever before.

I would be honored to have you partner with us. In the following pages, you'll find opportunities to sponsor the Summit and be part of what we are building. In addition to sponsorship opportunities, we hope to partner with churches, support groups, small groups, and more to host watch parties.

Thank you for your consideration to come alongside us and your generosity in helping make healing accessible to more women.

Blessings,

Crystal Renaud Day, M.A.
